Features

Dual wiper system Baby Lock Exclusive

The innovative dual wiper system provide Baby Lock exclusive and unique top cover stitch.

Automatic Needle Thread Delivery System (ATD)

Primo delivers a balanced stitch on any fabric with any type of thread with no needles tension adjustments.

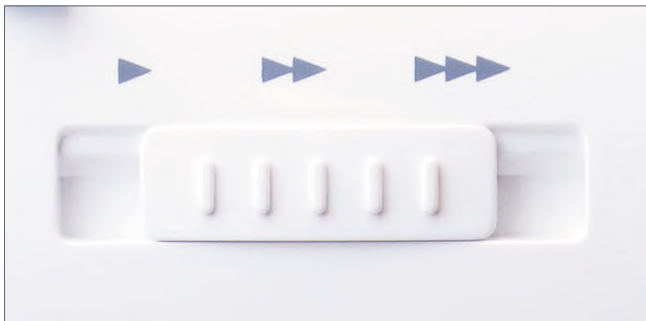

ExtraordinAir® Threading

With just a simple press of button, ExtraordinAir® instantly takes thread through the looper. Threading has never been this easy!

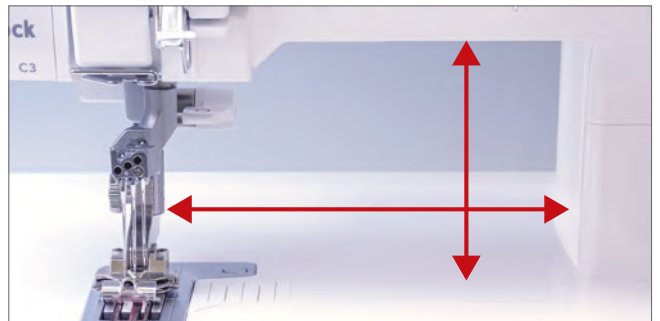

Needle Positioning Button

Needle Positioning Button ensures your needle position stays in place, whether starting and finishing.

Variable Speed Control

Always stitch at a comfortable pace for the utmost precision.

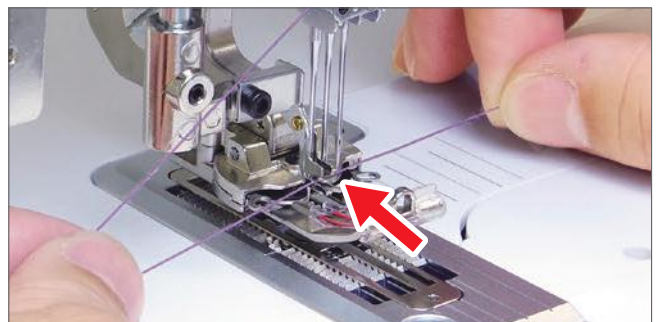

Wider Sewing Space

Convenience to handle on large projects with a wider sewing space.

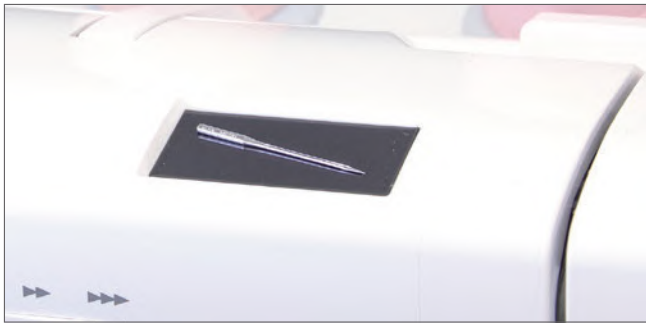

Knee Lifter

Raise the presser foot by simply moving the attachable lever with your knee. This leaves both of your hands free for extra control on stitches.

Needle Threading System

Using the needle threader for quick and easy threading of each needle with just 3 simple steps.

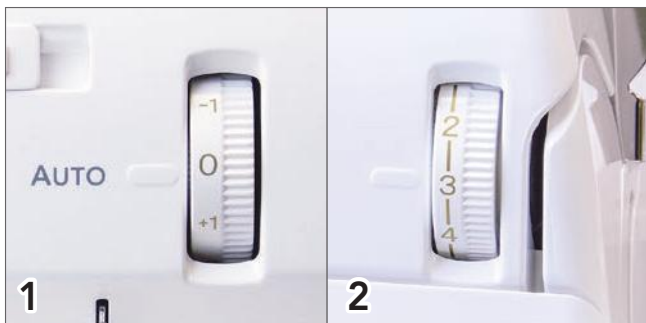

Magnetic Needle Storage

A magnet plate provides a stable place for needles.

Convenient Presser Foot Lever

An easy-access presser foot lever on the right side of the machine lets you quickly make adjustments.

1. Needle Thread Fine-Tuning Dial
2. Chain/Cover/Looper Tension System

A convenience dial for adjust the tension of the chain/cover stitch looper thread.

Differential Feed

The Differential Feed System create gathering and stretching effects for different type of fabrics.

Built-In Accessory Storage

Storage of tools such as screwdriver, tweezers, etc.

Pure Lighting - 3 LED Lights

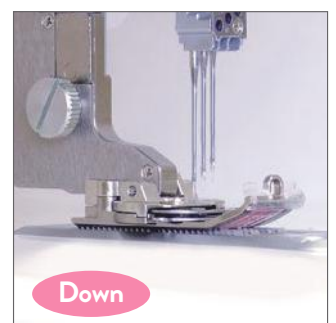

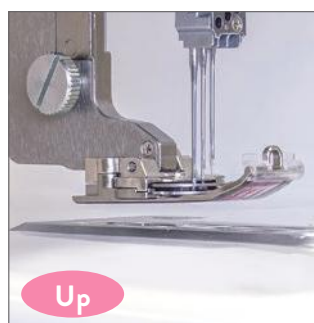

Three bright LED lights let you see the stitch, fabrics and threads clearly.

Safety Device

Primo can't start sewing with any situations below.

1. Presser foot in up-position.
2. Side cover open.
3. Front cover open.

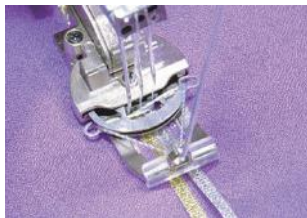

Drop Feed System

When you raise the presser foot, the feed dogs lower automatically which helps thick fabrics fit under the presser foot.
